Education

- 2010 – now** **International School of Helsinki, Helsinki, Finland, Grades 9 - 11**
Currently in the 11th grade. Graduated each previous year with honours.
- 2006 – 2010** **West Oak Public School, Oakville, Ontario, Canada, Grades 5 - 8**
Graduated each year with honours. Valedictorian of the graduating class. Received the French award for excellence in the French language.

Work Experience

- 2010 – 2011** **Engineered an iPhone application used in production at iMenu360 Inc.**
Was responsible for planning, designing, engineering and coding the application on behalf of iMenu360. The application displayed incoming orders for restaurant managers, allowing them to quickly understand an order issue and take corrective action. The application incorporated push notifications, XML parsing and custom gestures.

Interests

- Mathematics** Particularly number theory, abstract algebra and cryptography. In the 10th grade, wrote a through report on modern cryptography, with an emphasis on the mathematical cryptanalysis of these techniques (available at <http://git.io/iAFH6A>).
- Theoretical and Applied Computer Science** Particularly the design and analysis of algorithms and data structures, and the theory of computation. Pioneered the computer science course at the International School of Helsinki.
- Open Source Software** Regularly work on small open source projects in leisure time. Maintainer of two non-trivial open source projects. Has contributed minor patches to larger projects such as the node.js project. All code freely available under the MIT licence at <https://github.com/siddmahen>.
- Music** Played 1st flute in the West Oak School Band for 3 years. Invited to play in the regional Woodwinds BAND NAME by recommendation from the band conductor. Continued to play flute in Helsinki, playing the solo flute score for the school production of *The Wizard of Oz*.
